PROFILE

I am a promising front-end developer with perfect organizational skills looking for full-time. Conflict management and critical thinking skills. Team player with an eye for detail.

PROJECT EXPERIENCE

So Yummy <GitHub> [React, Redux, Node, Express]
Role: Team Leader. "What to cook?" is not only a recipe app, it is, in fact, your cookbook. You can add your own recipes to save them for the future.

IceCream <GitHub> [HTML, SASS, Parcel, JS]
Role: Team Leader. Responsive/Adaptive website for shops with handmade ice cream from natural products.

WebStudio <GitHub> [HTML, SASS, Parcel, JS]
Role: Web Developer. Responsive/Adaptive website for for web development studios.

Filmoteka <GitHub> [HTML, SCSS, JS, Handlebars]
Role: Team Leader. Responsive site for searching and storing movies with the possibility of user registration.

WORK EXPERIENCE

Frontend developer in Kovalska Digital
2023 - now
Development of branded functional websites, digital document management service and document signing.

Project Manager in furniture company "MIRT"
2017 - 2022
Implementation of international projects: direct cooperation with the customer and receiving the task, distribution among the team, control of execution at the stages of design, production and installation. Constant cooperation and coordination of conflict resolution with all contractors.
Achievements: successful implementation of projects for the most famous people in Ukraine and Asia.
